Loving God: A Practical Handbook for Discipleship is a valuable resource for your discipleship relationships. If you have not been taught and led through the basic principles and disciplines of the Christian life, this book is a great place to start. You may be a parent who wants to know how to disciple your children. You may be a parent or friend looking for a practical resource as you help others on their spiritual journey. *Loving God* can equip you to be an effective mentor as you help others follow Jesus. Its easy-to-read chapters discuss the following subjects in detail:

- Finding your purpose
- Giving it all to God
- Spending time with God
- Learning to pray
- Understanding God's Word
- Living in victory
- Ministering to others
- Living in community
- Discerning God's will

Each chapter includes discussion questions, a summary of the main ideas, recommendations for further reading, and practical tools you can return to again and again as you follow Christ and mentor others.
